

Grace United Church Project Proposal Form

Purpose:

This form is used to facilitate the submission of a proposal to Grace United Church Council for funding greater than \$1,000 for a project to further the Vision of Grace. The \$1,000 requirement is still applicable for expenditures from any committee's special funds.

The Process:

- The form is available on the Grace website or through the church office
- The completed form along with supporting documents is endorsed by a Committee of Council and then forwarded by the designated contact to the Planning Committee for review. The form may be submitted by email (office@graceucsarnia.com) or in hardcopy to the church office.
- The Planning Committee will review the score captured in the form and ensure that the scoring basis is consistent with other proposals.
- The Planning Committee may ask for further information to clarify or to make the submission complete.
- Once the final score has been determined by the Planning Committee, the proposal will be placed in priority order on the Grace Project Prioritization List.
- The proposal contact would then contact the Chair of the Finance Committee to determine the funding availability and the source of the funds, e.g., General Fund or one of the special funds
- The complete and prioritized proposal will then be presented to Council for approval to proceed and fund the project.

Glossary.

The following terms are used in the project proposal form:

- **Contact Person:** The person who completed the project proposal form.
- **Committee of Council.** These are the standing committees of Grace Council: Worship, Congregational Care & Growth, Outreach, Christian Development, Proclamation & Special Events, Finance, Property, Communications, Ministry & Personnel, Planning, Nominating, and Board of Trustees.
- **Scoping Estimate.** A rough, ballpark estimate. Scoping estimates may be helpful when asking a Committee of Council to sponsor a proposal. The Planning Committee will usually return a project proposal form with a Scoping Estimate with a request for definitive estimates.
- **Definitive Estimate.** A detailed estimate based on bids or quotes from a contractor or vendor.

Questions:

If you have any questions about this form or the proposal process, please contact the Planning Committee through the church office or email (office@graceucsarnia.com)

Grace United Church Project Proposal Form
