

We, at Grace United Church, are distressed and disturbed by the “deeply hateful” anonymous notices placed upon the property of Dunlop Central United Church earlier this week.

We align ourselves in full support of the ministry of Dunlop Central United Church and Rev. Adam Kilner. We are proud to name them as colleagues and friends.

We lament the use of scripture that condemns and vilifies the Two-Spirit, Lesbian, Gay, Bi, Trans, and Queer plus community and work to affirm, celebrate, and support the fullness of their personhood and God-given spirit.

We seek respectful dialogue and discussion of difference, conducted with openness and transparency.

We commit to a Christian faith of focused on inclusion and expansive welcome centered on love, grace, and compassion above all else.

In faith,

Regan Pfaff-MacDonald; Council Chair
Pat Morrison, DLM; pastoral team member
Rev. Dr. Kenji Marui; pastoral team member
