Join us for the 13<sup>th</sup> annual DeGroot's/Rayjon plant sale.

Store hours are Friday 8-8, Saturday 8-6 & Sunday 9-4.

We are once again offering *dipladenias*, a tropical wonder that blooms all summer while attracting butterflies!

**Plants are \$25 each** (taxes included)

Plants come in red or pink hanging baskets that can be re-potted into planters or they can stand alone.

After last year's cancellation, we're ready to get back into the swing of live events and are confident that we can do so safely. DeGroot's staff and Rayjon volunteers are adhering to the strictest Covid-related protocols & we are prepared for the possibility of a curbside pickup option.

**Proceeds will support Rayjon's partners in Haiti and their work in renewing and transforming of lives.**

Keep an eye out for your postcard from DeGroot's in the mail to bring with you, please!

Contactless payment methods will be available.
