

The GAP

Psalm #1

“Blessed is the one whose delight is in the law of the Lord and who meditates on this day and night.

That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither...”

Greetings,

We welcomed the season of Spring this weekend during an extraordinary time in the history of our world. Spring is a time when we look forward to seeing nature awaken from its slumber. We experience the joy of watching the ice breaking in rivers and streams, hearing birds sing out their joy on their return to this area, seeing new leaves open up on trees that produce young buds which eventually will yield fruit in season.

As we sit in our homes, looking out our windows, or walking safely in our private gardens, we are confident that all this Spring activity will continue to unfold no matter what else is happening around us. We too will grow in love and care through this present time as we minister to others, knowing we are not alone, we live in God’s world.

During this time of isolation we are offered time to reflect and meditate on the gifts God gives us...this beautiful nature unfolding to stimulate our senses, our dedicated health professionals, a Government that is working for the welfare of all Canadians, front-line essential workers, our family and friends, and a wonderful faith community at Grace United. What a blessing!

Be well, Rev. Linda – Grace United supply or GAP minister
